

# I WANT TO MOVE— WHERE DO I GO?

*The market is **very strong** and **inventory is low**. There are many ways you can make the move to start a new adventure.*

*All is possible and we can work on a plan together! Here is what many sellers are considering if they want to take advantage of this seller's market:*

- *Sell and negotiate a lease-back to give you the time to search for a new home.*
- *Lease a condo or in a fun uptown or downtown location and see how it feels.*
- *Look for a second home and do something smaller in the Phoenix market.*

*I have worked with friends and clients to do all of these things. This is one of the **strongest Phoenix markets** I have seen in my 40 year career and you are in charge of maximizing the sell side. **Let's talk.***
